The Bassoon King Rainn Wilson, 2016-11-29 From the three-time Emmy nominated actor, climate activist, and author of *Soul Boom: Why We Need a Spiritual Revolution*—Rainn Wilson’s memoir is about growing up geeky and finally finding his place in comedy, faith, and life. For nine seasons Rainn Wilson played Dwight Schrute, everyone’s favorite work nemesis and beet farmer. Viewers of The Office fell in love with the character and grew to love the actor who played him even more. Rainn founded a website and media company, SoulPancake, that eventually became a bestselling book of the same name. He also started a hilarious Twitter feed (sample tweet: “I’m not on Facebook” is the new “I don’t even own a TV”) that now has more than four million followers. Now, he’s ready to tell his own story and explain how he came up with his incredibly unique sense of humor and perspective on life. He explains how he grew up “bone-numbingly nerdy before there was even a modicum of cool attached to the word.” The Bassoon King chronicles his journey from nerd to drama geek (“the highest rung on the vast, pimply ladder of high school losers”), his years of mild debauchery and struggles as a young actor in New York, his many adventures and insights about The Office, and finally, Wilson’s achievement of success and satisfaction, both in his career and spiritually, reconnecting with the artistic and creative values of the Bahá’í faith he grew up in.

If You're So Smart Why Aren't You Happy Raj Raghunathan, 2016-04-28 What are the true determinants of a happy and fulfilling life? Widely admired psychological researcher Rag Raghunathan sets out to find the answer, undertaking extensive research into the happiness of students, business people, stay-at-home-parents, lawyers, and artists, among others. From his research he reveals a crucial discovery: many of the psychological traits that lead to success ironically get in the way of happiness. Forging a new way forward, Raghunathan shows how we can transform these key traits of success, namely the need to be loved, the need for importance and the need for control, and replace them with other behaviours, goals and values to improve our life-long levels of happiness.

The Divine Springtime Bahá'u'lláh, 2021-07-31 Before the internet the telephone was the only way to instantaneously communicate. In rural areas especially, multiple parties shared a common line. Known as party lines, one could not make a call if someone else was using the line, but you could listen in on their conversation. In this remarkable tablet, translated from the Arabic by Shoghi Effendi, we have our own party line to listen in on a conversation God is having with Bahá'u'lláh. God addresses Bahá'u'lláh as the Most Exalted Pen for He is the Pen, the very instrument, by which Divine Revelation appears as the written Word of God. We overhear both sides of the dialogue as God lovingly but insistently draws Bahá'u'lláh away from all that binds Him to the created world. As Bahá'u'lláh is gradually made aware of the full import of His station as a Manifestation of God, so also, are we. .

Soul Boom Rainn Wilson, 2023-04-25 In this New York Times bestseller, comedic actor, producer, and writer Rainn Wilson explores the problem-solving benefits that spirituality gives us to create solutions for an increasingly challenging world. The trauma that our struggling species has experienced in recent years—because of both the pandemic and societal tensions that threaten to overwhelm us—is not going away anytime soon. Existing political and economic systems are not enough to bring the change that the world needs. In this book, Rainn Wilson explores the possibility and hope for a spiritual revolution, a

“Soul Boom,” to find a healing transformation on both a personal and global level. For Wilson, this is a serious and essential pursuit, but he brings great humor and his own unique perspective to the conversation. He feels that, culturally, we’ve discounted spirituality—faith and the sacred—and we need profound healing and a unifying understanding of the world that the great spiritual traditions provide. Wilson’s approach to spirituality—the non-physical, eternal aspects of ourselves—is relatable and applies to people of all beliefs, even the skeptics. Filled with genuine insight—not to mention enlightening Kung Fu and Star Trek references—Soul Boom delves into ancient wisdom to seek out practical, transformative answers to life’s biggest questions.

Unmistakable Srinivas Rao, 2016 Stop trying to beat everyone else. True success is playing by your own rules, creating work that no one can replicate. Don't be the best, be the only. You're on the conventional path, checking off accomplishments. You might be doing okay by normal standards, but you still feel restless, bored, and limited. Srinivas Rao gets it. As a new business school graduate, Srinivas's dreams were crushed by a soulless job that demanded only conformity. Sick of struggling to keep his head above water, Srinivas quit his job and took to the waves, pursuing his dream of learning to surf. He also found the freedom to chart his own course. Interviewing more than five hundred creative people on his *Unmistakable Creative* podcast was the ultimate education. He heard how guests including Seth Godin, Elle Luna, Tim Ferriss, Simon Sinek, and Danielle LaPorte blazed their own trails. Srinivas blends his own story with theirs to tell you: You can find that courage too. Don't be just one among many--be the only. Be unmistakable. Trying to be the best will chain you to others' definition of success. *Unmistakable* work, on the other hand, could only have been created by one person, so competition is irrelevant. Like Banksy's art or Tim Burton's films, *unmistakable* work needs no signature and has no precedent. Whether you're a business owner, an artist, or just someone who wants to leave your mark on the world, *Unmistakable* will inspire you to create your own path and define your own success.

Comic Genius, 2013-10-15 This star-studded tribute to the kings and queens of comedy draws together such legendary names as Steve Martin, Tina Fey, Steve Carell, Eddie Murphy, Robin Williams, Ricky Gervais, and many more. Granted extraordinary access, photographer Matt Hoyle has captured his subjects in portraits that are works of art in themselves—by turns zany and deadpan, laugh-out-loud and contemplative. Accompanying them are first-person reflections from each of the comedians on life and laughter that always cut straight to the heart of comedy: it's funny because it's true. Page after sidesplitting page in *Comic Genius* offers prose as engaging as each portrait is memorable. Here, in one handsome package, is the gift of laughter itself. *Comic Genius* is proud to support Save The Children.

Entrepreneur's Guide To The Lean Brand Jeremiah Gardner, Brant Cooper, 2014-10-08 Goodbye, old-school branding. Hello, innovation. As much as traditional branding may flinch at the idea, the great brands emerging today are no longer being developed by a "brand genius" on the 40th floor of a Madison Avenue high rise. Today, great brand development isn't about genius, it's about the discovery of value. *The Lean Brand* is the first book to apply lean principles to the marketing black box of branding empowering innovators to experiment often, iterate quickly, and discover the winning relationship with their audience. Just as with "lean startup," where you are attempting to eliminate the waste in building products no one

wants, “lean branding” is about eliminating the waste of building a brand no one wants a relationship with. The cost of failing to innovate with your brand? Millions of dollars in lost sales, missed opportunities for growth, and countless unsatisfied customers. This is not new jargon for old thinking, but a fundamental shift in how brand development works. The Lean Brand is the new blueprint for building value-based relationships with passionate customers. Distilling years of experience on the front lines of startup marketing and the lean startup movement, Jeremiah Gardner teams up with New York Times bestselling author Brant Cooper to reveal: How to implement Lean Brand Innovation To Discover, Create & Deliver New ValueNew startup marketing techniques for Parallel Innovation between product management, brand strategy, and business cultureHow to optimize your branding strategy to discover, develop and build passionate customersHow startups can eliminate waste in their customer development and brand strategy using The Lean Brand FrameworkHow to use lean startup Viability Experiments to test and iterate your brand for high growthA set of practical tools called the Lean Brand Stack to help you iterate quickly, learn as much as you can, and build passionate relationships with your audienceGreat brands must do more than just satisfy customers; they must create passionate ones. The Lean Brand shows you how to develop meaningful relationships with your audience, based on a shared journey of value creation. Whether incrementally improving an existing brand, re-branding your enterprise, or building the next great startup, the winning relationship with your audience will come from a process of discovery. This book lays out a brand innovation framework for you to study, practice and iterate on, and eventually make your own.

Thank & Grow Rich Pam Grout, 2016-08-30 Important disclaimer: This book is not for everyone—just those who want to have more fun, more adventures, and more magic in their life. Thank & Grow Rich is for anyone interested in hooking up with the magnanimous energy field of the cosmos. Author Pam Grout, who likes to call herself the Warren Buffet of Happiness, says it all starts with getting on the frequency of joy and gratitude. Thanking (rather than thinking) puts us on an energetic frequency—a vibration—that calls in miracles. Science has proven that when we observe the world from a place of gratitude, when we use our attention to spot beauty and gaze at wonder, we develop the capacity to radically rev up our day-to-day experience. Brazen gratitude, it seems, provides a portal—an entry point—straight into the heart of the field of infinite possibilities described in Grout’s bestseller E-Squared. This book also offers an updated perspective on abundance, which goes way beyond financial capital. It shows readers how to grow and expand their creative capital, their social capital, their spiritual capital, and much, much more! There’s even an abundance worksheet that tracks your thank-and-grow rich portfolio and a money-back guarantee offering four personalized gifts straight from the always-accommodating universe. Your credit union might offer a butter dish or a koozie, but an investment in this book comes with your own personal sign from the universe, an answer to an important question, a customized totem, and a one-of-a-kind gift from the natural world. But more importantly, this 30-day experiment will upgrade your life experience from ho-hum to wahoo! From like sucks to life rocks!

From woe is me to yippie-ti-yi-yay!!
