**The Divine Springtime** Bahá'u'lláh, 2021-07-31 Before the internet the telephone was the only way to instantaneously communicate. In rural areas especially, multiple parties shared a common line. Known as party lines, one could not make a call if someone else was using the line, but you could listen in on their conversation. In this remarkable tablet, translated from the Arabic by Shoghi Effendi, we have our own party line to listen in on a conversation God is having with Bahá'u'lláh. God addresses Bahá'u'lláh as the Most Exalted Pen for He is the Pen, the very instrument, by which Divine Revelation appears as the written Word of God. We overhear both sides of the dialogue as God lovingly but insistently draws Bahá'u'lláh away from all that binds Him to the created world. As Bahá'u'lláh is gradually made aware of the full import of His station as a Manifestation of God, so also, are we. .

**Soul Boom** Rainn Wilson, 2023-04-25 In this New York Times bestseller, comedic actor, producer, and writer Rainn Wilson explores the problem-solving benefits that spirituality gives us to create solutions for an increasingly challenging world. The trauma that our struggling species has experienced in recent years—because of both the pandemic and societal tensions that threaten to overwhelm us—is not going away anytime soon. Existing political and economic systems are not enough to bring the change that the world needs. In this book, Rainn Wilson explores the possibility and hope for a spiritual revolution, a

“Soul Boom,” to find a healing transformation on both a personal and global level For Wilson, this is a serious and essential pursuit, but he brings great humor and his own unique perspective to the conversation. He feels that, culturally, we’ve discounted spirituality—faith and the sacred—and we need profound healing and a unifying understanding of the world that the great spiritual traditions provide. Wilson’s approach to spirituality—the non-physical, eternal aspects of ourselves—is relatable and applies to people of all beliefs, even the skeptics. Filled with genuine insight—not to mention enlightening Kung Fu and Star Trek references—Soul Boom delves into ancient wisdom to seek out practical, transformative answers to life’s biggest questions.

**Unmistakable** Srinivas Rao,2016 Stop trying to beat everyone else. True success is playing by your own rules, creating work that no one can replicate. Don't be the best, be the only. You're on the conventional path, checking off accomplishments. You might be doing okay by normal standards, but you still feel restless, bored, and limited. Srinivas Rao gets it. As a new business school graduate, Srinivas's dreams were crushed by a soulless job that demanded only conformity. Sick of struggling to keep his head above water, Srinivas quit his job and took to the waves, pursuing his dream of learning to surf. He also found the freedom to chart his own course. Interviewing more than five hundred creative people on his Unmistakable Creative podcast was the ultimate education. He heard how guests including Seth Godin, Elle Luna, Tim Ferriss, Simon Sinek, and Danielle LaPorte blazed their own trails. Srinivas blends his own story with theirs to tell you: You can find that courage too. Don't be just one among many--be the only. Be unmistakable. Trying to be the best will chain you to others' definition of success. Unmistakable work, on the other hand, could only have been created by one person, so competition is irrelevant. Like Banksy's art or Tim Burton's films, unmistakable work needs no signature and has no precedent. Whether you're a business owner, an artist, or just someone who wants to leave your mark on the world, Unmistakable will inspire you to create your own path and define your own success.

**Thank & Grow Rich** Pam Grout, 2016-08-30 Important disclaimer: This book is not for everyone—just those who want to have more fun, more adventures, and more magic in their life. Thank & Grow Rich is for anyone interested in hooking up with the magnanimous energy field of the cosmos. Author Pam Grout, who likes to call herself the Warren Buffet of Happiness, says it all starts with getting on the frequency of joy and gratitude. Thanking (rather than thinking) puts us on an energetic frequency—a vibration—that calls in miracles. Science has proven that when we observe the world from a place of gratitude, when we use our attention to spot beauty and gaze at wonder, we develop the capacity to radically rev up our day-to-day experience. Brazen gratitude, it seems, provides a portal—an entry point—straight into the heart of the field of infinite possibilities described in Grout’s bestseller E-Squared. This book also offers an updated perspective on abundance, which goes way beyond financial capital. It shows readers how to grow and expand their creative capital, their social capital, their spiritual capital, and much, much more! There’s even an abundance worksheet that tracks your thank-and-grow rich portfolio and a money-back guarantee offering four personalized gifts straight from the always-accommodating universe. Your credit union might offer a butter dish or a koozie, but an investment in this book comes with your own personal sign from the universe, an answer to an important question, a customized totem, and a one-of-a-kind gift from the natural world. But more importantly, this 30-day experiment will upgrade your life experience from ho-hum to wahoo! From like sucks to life rocks!

From woe is me to yippie-ti-yi-yay!!
