Tweak Nic Sheff, 2012-12-11 THE NEW YORK TIMES BESTSELLER NOW A MAJOR FILM, STARRING STEVE CARELL AND BAFTA AND GOLDEN GLOBE NOMINATED TIMOTHEE CHALAMET 'It was like being in a car with the gas pedal

slammed down to the floor and nothing to do but hold on and pretend to have some semblance of control. But control was something I'd lost a long time ago.' Nic Sheff was drunk for the first time at age 11. In the years that followed, he would regularly smoke pot, do cocaine and ecstasy, and develop addictions to crystal meth and heroin. Even so, he felt like he would always be able to quit and put his life together whenever he needed to. It took a violent relapse one summer to convince him otherwise. In a voice that is raw and honest, Nic spares no detail in telling us the compelling true story of his relapse and the road to recovery. He paints an extraordinary picture for us of a person at odds with his past, with his family, with his substances, and with himself. *Tweak* is a raw, harrowing, and ultimately hopeful tale of the road from relapse to recovery and complements his father's parallel memoir, *Beautiful Boy*. Praise for Nic Sheff:- 'Difficult to read and impossible to put down.' *Chicago Tribune* 'Nic Sheff's wrenching tale is told with electrifying honesty and insight.' Armistead Maupin

High David Sheff, Nic Sheff, 2019 Provides information on drug and alcohol use, shares the stories of families who have lived through addiction, and teaches readers how to navigate peer pressure and stress.

Schizo Nic Sheff, 2015-09-08 The fascinating, shocking, and ultimately quite hopeful story of one teen's downward spiral into mental illness by the bestselling author of *Tweak* and son of David Sheff (author of *Beautiful Boy*, the memoir adapted into a movie of the same name starring Steve Carell and Timothée Chalamet). Miles is the ultimate unreliable narrator—a teen recovering from a schizophrenic breakdown who believes he is getting better . . . when in reality he is growing worse. Driven to the point of obsession to find his missing younger brother, Teddy, and wrapped up in a romance that may or may not be the real thing, Miles is forever chasing shadows. As Miles feels his world closing around him, he struggles to keep it open, but what you think you know about his world is actually a blur of gray, and the sharp focus of reality proves startling. Written by Nic Sheff, son of David Sheff (author of *Beautiful Boy*, the memoir adapted into a movie of the same name starring Steve Carell and Timothée Chalamet), *Schizo* is the fascinating, and ultimately quite hopeful, story of one teen's downward spiral into mental illness as he chases the clues to a missing brother. Perfect for fans of *Thirteen Reasons Why*, *The Perks of Being a Wallflower*, and *It's Kind of a Funny Story*. "This spare book is a well-written, but painful, read, as readers come to understand the hopelessness Miles feels about his life and his future."—VOYA "In his first novel, memoirist Sheff (*Tweak*) provides an insightful perspective on one teen's struggle with mental illness."—Publishers Weekly

Beautiful Boy David Sheff, 2008 Sheff's story tells of his teenage son's addiction to meth, in this real-time chronicle of the shocking descent into substance abuse and the family's gradual emergence into hope.

Clean David Sheff, 2013 The author of the #1 New York Times-bestseller *Beautiful Boy* offers a new paradigm for dealing with addiction based on cutting-edge research and stories of his own and other families' struggles with--and triumphs over--drug abuse.

Harmony House Nic Sheff, 2016-03-22 *Carrie* meets *American Horror Story* meets *The Shining* in this terrifying YA horror

novel from the author of *Tweak* and *Schizo*. Something's not right in Beach Haven. Jen Noonan's father thinks a move to Harmony House is the key to salvation, but to everyone who has lived there before, it is a portal to pure horror. After her alcoholic mother's death, Jen's father cracked. He dragged Jen to a dilapidated old manor on the shore of New Jersey to start their new lives—but Jen can tell that the place has an unhappy history. She can feel it the same way she can feel her anger flowing out of her, affecting the world in strange ways she can't explain. But Harmony House is more than just a creepy old estate. It's got a chilling past—and the more Jen discovers its secrets, the more the house awakens. Visions of a strange boy who lived in the house long ago follow Jen wherever she goes, and her father's already-fragile sanity disintegrates before her eyes. As the forces in the house join together to terrorize Jen, she must find a way to escape the past she didn't know was haunting her—and the mysterious and terrible power she didn't realize she had.

Ana's Story Jenna Bush, 2008-04-22 Ana's story begins the day she is born with HIV, transmitted from her mother, who dies just a few years later. From then on, Ana's childhood becomes a blur of secrets—about her illness, her family, and the abuse she endures. Shuffled from home to home, Ana rarely finds safety or acceptance. But after she falls in love and becomes pregnant at seventeen, she embarks on a journey that leads her to new beginnings, new sorrows, and new hope. Based on her work with UNICEF and inspired by the framework of one girl's life, Jenna Bush tells the story of many children around the world who are excluded from basic care, support, and education. Resources at the back of this book share how you can help children like Ana and protect yourself and others.

Stay Close Libby Cataldi, 2009-04-28 During his early teens, Jeff Bratton started using drugs. At first, alcohol and pot, but quickly he spiraled into using cocaine, ketamine, crystal meth and eventually heroin. How could this wonderful son, loving brother, and star athlete lose himself to drugs? How could his parents be so clueless? How could his mother, the long-term head of a private school, be so blind? Stagli vicino, an Italian recovering addict told the author. Stay close—never leave him, even when he is most unlovable. This is not a book about saving a child. It is a book about what it means to stay close to a loved one gripped by addiction. It is about one son who came home and one mother who never gave up hope. Stay Close is one mother's tough, honest, and intimate tale that chronicles her son's severe drug addiction, as it corroded all relationships from the inside out. It is a story of deep trauma and deep despair, but also of deep hope—and healing. Here is Libby Cataldi's story about dealing with addiction without withdrawing love, learning to trust again while remaining attuned to lies, and the cautious triumph of staying clean one day at a time. He told her, Mom, never quit believing. And she didn't.

Fish T. J. Parsell, 2009-04-27 When seventeen-year-old T. J. Parsell held up the local Photo Mat with a toy gun, he was sentenced to four and a half to fifteen years in prison. The first night of his term, four older inmates drugged Parsell and took turns raping him. When they were through, they flipped a coin to decide who would own him. Forced to remain silent about his rape by a convict code among inmates (one in which informers are murdered), Parsell's experience that first night

haunted him throughout the rest of his sentence. In an effort to silence the guilt and pain of its victims, the issue of prisoner rape is a story that has not been told. For the first time Parsell, one of America's leading spokespeople for prison reform, shares the story of his coming of age behind bars. He gives voice to countless others who have been exposed to an incarceration system that turns a blind eye to the abuse of the prisoners in its charge. Since life behind bars is so often exploited by television and movie re-enactments, the real story has yet to be told. Fish is the first breakout story to do that.

Recovery Road Blake Nelson, 2011 Because Madeline has a drinking problem and issues controlling her anger, she's sent away to Spring Meadows. It's not as fancy as it sounds-it's actually a pretty intense place. But there is a weekly movie night in town... where Madeline meets Stewart, who's at another rehab facility nearby. They fall for each other during a completely crazy time in their lives, and then sort of part ways. When Madeline gets out of rehab, she tries to get back on her feet, and waits for Stewart to join her. When he does, though, it's not the ideal recovery or reunion that Madeline dreamed of. Both of them still have serious problems. And Stewart's are only getting worse... True and insightful as only Blake Nelson can be, *Recovery Road* is a story about finding the right person at precisely the wrong time.

Now What? William Cope Moyers, 2012-10-09 Addiction and recovery insider and expert William Cope Moyers answers the question Now What? for addicts and their loved ones, every step of their journey from contemplation through intervention, treatment, and recovery. Addiction and recovery insider and expert William Cope Moyers answers the question "Now what?" for addicts and their loved ones along every step of their journey through contemplation, intervention, treatment, and recovery. As the survivor of multiple relapses and near-fatal experiences with his addiction to alcohol and other drugs, William Cope Moyers knows what it's like to desperately need, but not know how to find, a good treatment program. As Moyers was struggling, his parents--television journalist Bill Moyers and his wife, Judith--were also battling to understand what was happening to their son and what to do about it. Thanks to a successful intervention, intensive inpatient treatment, and a rigorous Twelve Step program, Moyers has been clean and sober since 1994, and has devoted his life to guiding others in getting the help they need. In the course of his work as a recovery advocate and ambassador with Hazelden Foundation, Moyers has talked with hundreds of alcoholics, addicts, and their families and has been a lifeline in helping them get the treatment they need. Drawing from both his own journey and the experiences of those he's helped, Moyers applies his passion and trademark down-to-earth, style to lead readers through the process of recognizing when someone needs help, finding a quality treatment program, navigating the treatment process, and establishing a support system after treatment.

America Anonymous Benoit Denizet-Lewis, 2009-01-06 *America Anonymous* is the unforgettable story of eight men and women from around the country -- including a grandmother, a college student, a bodybuilder, and a housewife -- struggling with addictions. For nearly three years, acclaimed journalist Benoit Denizet-Lewis immersed himself in their lives as they battled drug and alcohol abuse, overeating, and compulsive gambling and sexuality. Alternating with their stories is Denizet-Lewis's candid account of his own recovery from sexual addiction and his compelling examination of our culture of addiction, where we obsessively search for new and innovative ways to escape the reality of the present moment and make ourselves feel better. Addiction is arguably this country's biggest public-health crisis, triggering and exacerbating many of our most pressing social problems (crime, poverty, skyrocketing health-care costs, and childhood abuse and neglect). But while cancer and AIDS survivors have taken to the streets -- and to the halls of Congress -- demanding to be counted, millions of addicts with successful long-term recovery talk only to each other in the confines of anonymous Twelve Step meetings. (A notable exception is the addicted celebrity, who often enters and exits rehab with great fanfare.) Through the riveting stories of Americans in various stages of recovery and relapse, Denizet-Lewis shines a spotlight on our most misunderstood health problem (is addiction a brain disease? A spiritual malady? A moral failing?) and breaks through the shame and denial that still shape our cultural understanding of it -- and hamper our ability to treat it. Are Americans more addicted than people in other countries, or does it just seem that way? Can food or sex be as addictive as alcohol and drugs? And will we ever be able to treat addiction with a pill? These are just a few of the questions Denizet-Lewis explores during his remarkable journey inside the lives of men and women struggling to become, or stay, sober. As the addicts in this book stumble, fall, and try again to make a different and better life, Denizet-Lewis records their struggles -- and his own -- with honesty and empathy.
